Got. Solitions of I of the Affect of the Solition of I of the solition of College of the Solition of the Solit

inguist an organization revolution in the light of the Mew York News, June 1984. The languard of Mr. Lincoln is cartainly in able and sindestnanlike document. It is drawn up with claborate care and perfect as questioner with all the questions that now distract the country. These is disquessed with a condensed frowing it which every word tall, and every word tall, and every word tall, and every word tall.

THE BALL OF THE EXPLOYERS OF THE LILLNOR CRIVEAL.—This cutertainment, given at
the newly completed machine shops of the
Central on Tauraday sight, passed off piesasarily to all present. Gov. Banks and other
officers of the road, ware there, as well as
some leading men from others, and all accompanied by their ladies. The Repair shop—about
300 by 80 fost in dimensions, and 26 feet highwas converted into an elegant denoine hall,
and admirably decorated, and illuminated with
reliliant lamps of vectors colors. The music
of the Light Guned Band rendered the fest of
dancing easy to many unaccustomed feet, and it
is was kept up natil midnight, when the hanquet was encounced. After partaxing of
wherewith to support the limits may the Terpschorean axercises were reserved, and did not
cease until morning. Mr. Hays, the mader
mechanics, and Mr. Townyth, the General
Freight Agent, both of whom were directors
of ceromannies, are to be present for their macceas in thair naw role. They certainly contributed much to the pleasure of the many at-

CASH ADVANCES MADE ON

Judge Cole assepted the call yesterday in the following mote:

Mannion, March 6th, 1807.

Georgiculus:—I am la recept of your communication reconsting me or officer the use of day name about the man of any name about the man of the following the communication of a similar chareful, signed by Citimes in different parts of the State, and making a like request. I am unable to give any other rejuly to these various communications thanks return herein my sincher thunks to the signers of them, for the sentiments of the state, and making a like request. I am unable to give any other rejuly to these various communications thanks return herein my sincher thunks to the signers of them, for the sentiments of any other regular to communicate the sentiments of any other thanks to the dispuse of the sentiments of the sentiments. From present appearances he will draw votes from all parties more generally than any essentialists of the same affect the sentiments.

West of Kenoshs, and Westles between Harvarior Dae Chlesge and Northwastern Hallway and Roekford are also completed. This,
with the Galens, gives a choice of routes between Chlesge and Rockford.

The next branch line is the

Hackins and Hississippi Hallroad.

G. A. THORNON, Racine, Wis Gen'l Munagen.

A. J. Raymons,

Mars, Tarlon, Superintendent.

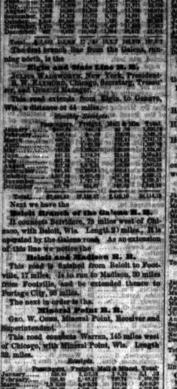

This road is Statched from Racine to Freeport, a distance of 10s miles.

Racines.

We notice as an extension of this line, the "Milwaukee and Prairie du Chien He R. Warafast Janvis, Milwaukee, Sup't.
As in previous articles, we remark that this is properly a Milwaukee road; but as it forms, both with the Lake there and the Northwestern, a direct line to the Mississippi, it is proper to action it in this connection. It has recently passed into the annes of its boudholders. It was formetly known as the Milwaukee and Mississippi Relivent. His length is 100 miles. No report received of its business. The next readist the Lacrosco and Milwaukee road, but we mention it for the same remone as given above in regard to the Milwaukee and Prairie du Chien tool. No report received. Langth 30 miles. Our next trunk line is the CHICAGO AND NORTHWARKEEN

empleted to Appleton, 20 miles north of Oak took on the 17th of February, 1881. You length, 544 miles. 1888.
